BETS BY "PASS PMU"

Article 1 – Obtaining a "Pass PMU"

The "Pass PMU" is proposed in the Group's betting outlets and on racecourses offering this possibility.

Subject to an initial payment of a minimum of 100 CFP francs, natural persons of legal age can obtain a "Pass PMU" with an identification code and a barcode at the Group's betting outlets offering this possibility. This initial payment is credited to the "Pass PMU".

The holder of a "Pass PMU", hereinafter the bearer, can, through this "Pass PMU", credit sums intended exclusively to register bets or cancel bets and withdraw winnings or refunds accruing to that "Pass PMU".

The bearer is responsible for the safekeeping, confidentiality and use of his "Pass PMU".

Any "Pass PMU" that is modified, altered, reproduced or of which at least one of its identification elements, for whatever reason, is rendered illegible, will not be paid for or refunded, without prejudice to the possible application of article 6 of Title I of the Rules.

Article 2 – Crediting a "Pass PMU"

The maximum cumulative amount in cash accepted on that "Pass PMU" is 60 000 CFP francs. This amount is not refundable except when closing a "Pass PMU" at the punter's request filed with the Customer Service, in accordance with the provisions of Article 8 and 9.

Winnings and refunds relating to each of the bets registered by a punter are credited to that "Pass PMU".

No interest shall accrue from any sum credited to that "Pass PMU".

Article 3 - Bet registration procedures.

The bearer can prepare his bet at any time through terminals handled by a betting operator or interactive terminals of betting outlets.

No betting receipt is given for the bets registered through a "Pass PMU".

A bearer may only place bets within the limit of the available balance in his "Pass PMU" made of the sums credited, in accordance with the provisions of Article 2 and only to the extent that the credit balance of the "Pass PMU" is at least equal to the lowest minimum stakes established for the bet(s) he places. No bet will be accepted subject to the success of a previous bet, including in the event of disagreement on this credit balance or of a delay in determining the causes of such disagreement.

After presenting his "Pass PMU" through terminals handled by a betting operator or interactive terminals of betting outlets, the bearer may:

- register bets among those proposed by the dedicated application, with a limit of 100 000 CFP francs per bet;

- if need be and in accordance with Article 12 and 14, cancel bets registered on his "Pass PMU";
- consult:
 - the balance of his "Pass PMU";
 - the history of bets registered;
 - the history of all movements on the "Pass PMU".

It is the bearer's responsibility to verify that registration is in conformity with his orders and any claims with regard to possible errors in the delivery with his orders has to be done at the latest before the departure of the first race on which one of the bet of these orders has been registered.

Under proved otherwise, only the details registered on magnetic support with the data sealed in the Group's online electronic system shall be considered authentic, including in cases of:

- disparity for whatever reason between the details of the bet and those present in the betting outlet equipments;
- contestation, by the bearer of the registration by the Group of an allegedly non placed bet.
- claim by the bearer of an unregistered bet.

Article 4 - Withdrawal of winnings.

Withdrawal of winnings is possible in the Group's betting outlets only and on racecourses offering the "Pass PMU".

To withdraw winnings, the bearer must present his "Pass PMU" to a terminal handled by a betting operator.

Winnings are withdrawn:

- In cash, up to the limits in accordance with the provisions of the Monetary and Financial Code, in unit withdrawal or in cumulative withdrawals;
- by bank transfer request.

Any withdrawal (or cumulative amount of cash withdrawals) exceeding the limits in accordance with the provisions of the Monetary and Financial Code shall be paid by bank transfer only.

At the initiative of the Group, all payments may be settled by bank transfer.

The bearer may only withdraw winnings from his "Pass PMU". The bearer cannot withdraw sums corresponding to bonuses or contributions credited to a "Pass PMU" as a result of promotional operations and these sums are not paid when closing the "Pass PMU", except if otherwise provided in the concerned promotional campaigns.

Article 5 - Identification of the bearer.

The bearer must produce a convincing written identity document:

- at the time of every payment of winnings by bank transfer;
- when a bearer has blocked his "Pass PMU", as also when his "Pass PMU" is closed or when a technical failure in the functioning of his "Pass PMU" is notified

Payment is operated in accordance with the provisions of Article 25 c) and e) of Chapter 3 of Title I of the Rules.

Article 6 - Legal obligations.

The Group is submitted to the provisions of the Monetary and Financial Code, in particular relating to the fight against fraudulent and criminal activities, in particular money-laundering and the financing of terrorism. For this reason, personal data are kept during five years after the "Pass PMU" has been closed.

Similarly and for the same reason, the Group may temporarily suspend the financial transactions, the pay-out of winnings or the operations on a "Pass PMU".

The provisions of Article 7-1 of Title I of the Rules apply to all nominative information supplied to the Group which are mandatory for any bank transfer purposes.

Article 7 - Opposition

Are admissible only oppositions specifically motivated by the loss or theft of a "Pass PMU".

In the case of loss or theft of a "Pass PMU", the bearer must file his opposition before the Customer Service, providing the number of his betting support.

Should the Group be notified of any dispute as to the ownership of a "Pass PMU", the latter may be blocked by the Group as well as the amount available on the contentious "Pass PMU", the burden of proof as to any complaint lodged before the competent authority rests with the contending party. The Group shall abide by the final res judicata decision of the judicial authority as regards payment of the disputed amount which shall not benefit from any accrued interest. If the complaint does not lead to any Court action, the holder of the "Pass PMU" is paid the amount due.

The bearer of a "Pass PMU" for which an opposition has been filed in error may have it unfrozen by the Customer Service on condition that no other fraudulent use has been declared.

The bearer shall bear any loss incurred by non-authorized transactions as a result of his own fraudulent use or if he did not meet the following obligations either intentionally or through gross negligence on his part:

- take all reasonable steps to preserve the security of his "Pass PMU";
- use the "Pass PMU" in conformity with these provisions;
- file an opposition as soon as possible, following the discovery of the loss, the theft, misappropriation or any fraudulent use of his "Pass PMU" or of the data involved.

Article 8 - Closing of the "Pass PMU" at the bearer's initiative.

The bearer may at any time ask for his "Pass PMU" to be closed. Closed "Pass PMU" shall be automatically and definitively de-activated.

If the "Pass PMU" has sufficient provision, the Group closes that betting support and, in accordance with the provisions of Article 5 the bearer must forward his personal details to PMU New Caledonia address, for any credit balance to be restituted. This credit balance is only restituted by bank transfer in accordance with the provisions of Article 25 c) of Chapter 3 of Title I of the Rules.

In the event of technical failure in the functioning of a "Pass PMU", the Group closes that betting support and, in accordance with the provisions of Article 5, the bearer must forward his personal details together with his "Pass PMU" to PMU New Caledonia address.

Article 10 - Automatic de-activation of the "Pass PMU".

A "PMU Pass" that has not been used for 60 days from the last bet registered or the last winnings credited is definitely de-activated and closed. The amount of any credit balance of this "PMU Pass" is devolved under the conditions of the last paragraph of Article 24 2. d) of Chapter 3 of Title I of the Rules.
